

The F186 multi-purpose latch can secure cabinet doors, drawers, fridges and toilets.

- **F118 glass cabinet latch** (\$4.99). Especially designed for glass doors on DVD, music and display cabinets;
- **F149 drawer catches** (\$5.99, pack of three). These self-locking catches will secure most drawers on metal runners and are ideal for home office cabinets;
- **F102 outlet plugs** (\$2.99, pack of 12). Helps prevent children from placing objects into electrical outlets;
- **F133 angle lock** (\$6.59, pack of

two). Ideal for corner appliances such as refrigerators and laundry cabinets and comes with extra-strong adhesive tape for easy installation.
