Hi neighbour!

I didn't have much to do with my neighbours Graham and Elaine. But when my waters broke at 37 weeks along and the baby's head emerged, I needed help! My ex, Massimo, rushed out and returned with Graham just in time to see the baby slither out.

MY BIRTH STORY

I was clad in just a singlet and my son was soon in my arms, still attached by the umbilical cord! Poor Graham was white as a sheet before the ambulance came and baby Marcus and I were whisked off to hospital. Not surprisingly, we're all good friends now!

When my son Josh was born, a nurse suggested I take some time out of the house every day. I took her advice and get out daily, whatever the weather.
