Tired of spills: Great for those little fingers

DREAM Baby is launching a new range of highly affordable lose or re-use tumblers and snack cups in fun, fashionable colours and The Daily Mercury is giving readers the chance to win one of 10 Dream Baby prize packs including one Dream Baby Lose or Re-use tumbler set (6 pack, 207ml) and a set of Dream Baby Lose or Re-use snack cups (6 pack; 148ml).

Every parent knows when you're out and about with your toddler, it's a good idea to take a horde of snacks and drinks with you. But sometimes you can't find a lid to fit your food container (yes you've been there), or your

little one has hidden their tumbler - again. Now Dream Baby comes to the rescue with their new cool range of lose or re-use tumblers and snack cups.

Inexpensive and ideal to take anywhere, the new Dream Baby snack cups and tumblers are made from durable plastic and are great for stowing snacks and treats and drinks for your toddler. Every child will adore the bright array of translucent colours available - red, orange, violet, green, blue and yellow - making them perfect to split between children or mix and match lids to suit your little ones.

As children have a tenden-

cy to drop everything and run to the next exciting activity, things can get lost or go wayward - but because the six pack of tumblers and snack cups are ultra-economical, you can lose them without burning a hole in your pocket or even better, re-use them.

The tumblers are spill-resistant and feature an easy-to-use spout meaning less mess and no sticky little fingers. The cups and tumblers are both dishwasher and microwave proof and very friendly to little fingers.

Dream Baby Lose or Re-use tumbler six-pack sets sell from \$9.95 and the Dream Baby Lose or Re-use 6-pack

snack cup sets retail from \$9.95.

The entire Dream Baby range is available nationally though selected baby and toy stores, pharmacies and hardware stores.
